

UMass Extension FNP *Food Explorer* Survey FY10

Thank you for participating in the Nutrition Education Program!

We are evaluating the *Food Explorer* posters and parent handouts that we provide to you, to make sure they are meeting your expectations and to find ways of improving them in the future. Please take a few minutes to complete this survey. ***We value your input, and will use your suggestions as we plan for next year.***

Name:		Position:	
School District:	School:	Date:	

Part 1: Think back...

1. **Do you remember receiving any *Food Explorer* posters and parent handouts this year?**
Yes ___ No ___

If YES, please complete the rest of this page. If NO, please go to question 12.

2. **Did you display the *Food Explorer* posters? (Please check one.)**

___ Yes, all of them (10 monthly posters)
___ Yes, most of them (7-9 posters)
___ Yes, about half of them (4-6 posters)
___ Yes, a few of them (1-3 posters)
___ No, none of them

3. **Did you have a chance to discuss these posters with your students (those who came to your office)? (Please check one.)**

___ Yes, all or nearly all of the time
___ Yes, most of the time
___ Yes, about half of the time
___ Yes, but less than half of the time
___ No, I was not able to discuss them with the students.

If all or most of the time, go on to question #4. If half of the time or less, complete the following:

a. **What made it difficult for you to discuss these posters with students?**

b. **What might make it easier for you to discuss them with students?**

4. **How many of the students took the *Food Explorer* handouts for their parents?**

___ All or nearly all of them
___ Most of them
___ About half of them
___ Fewer than half of them
___ None or almost none of them.

UMass Extension FNP *Food Explorer* Survey, Page 2

If all or most of them, go on to question #5. If half of them or fewer, please complete the following:

a. Why do you think half or fewer of the students took the *Food Explorer* parent handouts?

b. What might help more students to take the *Food Explorer* parent handouts?

5. What do you think your students learned from the *Food Explorer* materials and the time you spent on them?

6. Do you think the *Food Explorer* materials affected any students' attitudes or behaviors?
Yes____ No____

If Yes, in what way(s)?

For each of the statements below, please check the box that shows your opinion about the *Food Explorer* materials:

The <i>Food Explorer</i> materials...	Strongly Agree	Agree	Don't know	Disagree	Strongly Disagree
7. Are appropriate for the children's ages and grades.					
8. Contain high-quality information.					
9. Are useful.					
10. Are easy to use.					

11. Do you have any other comments about the *Food Explorer* posters or parent handouts?

12. Are there any particular nutrition education topics that you would like to have more materials to teach?

THANK YOU VERY MUCH FOR YOUR TIME AND FEEDBACK!
