

UMass Extension FNP SPIN programs – Educator Survey FY10

This year we are evaluating the SPIN program both from the students' and educators' perspectives. We want to make sure that **SPIN** is useful to you as an educator and is reaching your students effectively. Please take a few minutes to complete this survey. We value your input, and will use your suggestions as we plan for the future.

FNP Office site:	School Districts where SPIN was taught:
-------------------------	--

1. **In the blank lines below, please write the number of times you taught the full SPIN curriculum in each setting in FY 2009: (If you only taught a few sessions, please write the number and specify "sessions.")**
 - a. Number of after-school SPIN curriculum programs: _____
 - b. Number of in-school SPIN curriculum programs: _____
2. **In which grade(s) were the SPIN participants? (Check all that apply):**
 - _____ Grade 5
 - _____ Grade 6
 - _____ Grade 7
 - _____ Grade 8
 - _____ Other (please specify if you can)

The next questions pertain to your experience teaching SPIN.

3. First, did you teach SPIN ... (Check one.)
 - _____ As part of a team (e.g., 2 educators);
 - _____ Individually
 - _____ Other (please specify _____)
4. How much time did you have to teach each session? (Check one)
 - _____ 1 hour;
 - _____ 1 ½ hours
 - _____ Other (please specify _____)

Please check the box that shows your opinion about teaching the SPIN program:

In teaching SPIN...	Always or nearly always	Most of the time	Some-times	Rarely	Never or almost never	Comment?
5. I was able to teach the sessions as they were designed.						
1. I had enough time to teach the sessions.						
2. I had what I needed to teach the sessions (e.g., supplies, etc.).						
3. I felt that that I was trained well enough to teach the sessions.

9. **To what extent were your students engaged and interested in SPIN? (Check ONE.)**

- Very engaged and interested
- Somewhat engaged and interested
- Not engaged or interested
- Engagement varied depending on the class or workshop
- Don't know

10. **Using a scale from 1 (didn't like at all) to 5 (liked very much), please rate what your students thought of each of the following SPIN components. If you have any suggestions for improvement, or if there were specific elements that caused problems, please write them on the lines to the right.**

Component	Rating	Ideas for Improvement
a. Recipes	_____	
b. Physical activities	_____	
c. Travel concept	_____	
d. SPIN-O	_____	
e. Challenges	_____	
f. Learning tasks (in general)	_____	
g. Final project	_____	

11. **Were any concepts especially difficult for the students to learn? ____ Yes ____ No**

If yes, which concept(s) and how might this (or these) be improved?

15. **What are the main things that you think your students learned from SPIN?**

16. **Do you have any other comments about SPIN?**
